

This 8-week program is designed for runners with little or no running experience to ease into the sport! For starters, please know that it will feel hard when you start – this is a common experience for ALL runners starting a new training build. Give your body a few weeks to settle in before giving up – once you get past week two, it will get easier! Aim to increase your running volume by no more than 10% each week.

Week 1 – Running 3 of 7 days this week

Run 1: 10 x (1 minute jogging, 1 minute walking)

Run 2: 2 x (5 minutes jogging, 2 minutes walking)

Run 3: 12 x (1 minute jogging, 1 minute walking)

Weeks 2 & 3 – Running 4 of 7 days these weeks

Run 1: 12 x (1 minute jogging, 1 minute walking)

Run 2: 2 x (6 minutes jogging, 2 minutes walking between)

Run 3: 10 x (90 seconds jogging, 1 minute walking)

Run 4: 2 x (1 mile, 3 minutes standing between)

Weeks 4 & 5 – Running 5 of 7 days these weeks

Run 1: 12 x (90 seconds jogging, 1 minute walking)

Run 2: 2 mile continuous jogging

Run 3: 2 x (7 minutes jogging, 2 minutes walking between)

Run 4: 2 x 1.25 mile with 3 minutes walking between

Run 5: 3 mile long run

Weeks 6 & 7 – Running 6 of 7 days these weeks

Run 1: 12 x (2 minutes jogging, 1 minute walking)

Run 2: 2.5 mile continuous jogging

Run 3: 3 x (6 minutes jogging, 2 minutes walking between)

Run 4: 2 x 1.5 mile with 3 minutes walking between

Run 5: 4 mile long run

Run 6: 10 x (1 minute jogging, 1 minute walking)

Week 8 – Running 6 of 7 days this week

Run 1: 12 x (2.5 minutes jogging, 1 minute walking)

Run 2: 3 mile continuous jogging

Run 3: 3 x (6 minutes jogging, 2 minutes walking between)

Run 4: 2 x 1.5 mile with 3 minutes walking between

Run 5: 5 mile long run

Run 6: 10 x (1 minute jogging, 1 minute walking)
